The Team

Our family law advisors include David Starkey, Andrew Campbell, Kerry Graham and James Young who collectively have years of experience advising on family law issues.

Weekend Family Law Clinic

It is appreciated that if people are working Monday to Friday roles, it can be difficult to obtain legal advice conveniently. We are proud to run a family law clinic in our Weston Super Mare and Bridgwater offices which will usually occur on the first Saturday of the month between 9am and 1pm. We can sometimes take walk-in appointments however it is strongly recommended to try and be booked in ahead of time.
